The 2019 Raising Hope at Work Employee Giving Campaign begins June 1 and will run through July 19. This year marks 10 years of celebrating HOPE! Together, we have contributed to vital improvements in our hospitals and academic centers, and built a powerful legacy of institutional support.

This year's campaign will feature four funds representing children, education, discovery and care.
Children who deserve healthy hearts - Gifts to the Pediatric Cardiac Cath Lab renovation will help kids receive specialized treatment in a space designed especially for them.

Students we are educating today to become healers tomorrow - Gifts to the Mobile Outreach Clinic will help to expand the community health outreach our students and faculty deliver every day.

Researchers making discoveries that change lives - Gifts to the Legacy Program Fund to support the UF Brain Tumor Immunotherapy Program will support research in brain cancer treatment ever forward.

Patients who receive exceptional care during life-limiting illness - Gifts to the Palliative Care Fund will help extend compassionate, end-of-life care to patients in need.

Ways to give:

**Payroll Deduction**
Payroll deductions will automatically deduct the amount of your choosing each pay period. Deductions begin Sept. 13, 2019 and end Sept. 4, 2020.

Hour of Power: Hour of Power is a special giving level where donors choose to make a payroll deduction gift equal to one hour of pay, per pay period.

**Online One-Time credit card gift**
Cash or Check: Cash and checks must be submitted with a pledge card that includes employee information and fund choice. Three options to submit checks or cash

*Mail:* UF Health Office of Development, Attn: Raising Hope at Work, P.O. Box 100386, Gainesville, FL 32610-0386

*Drop off:* UF Health Office of Development, 1329 Building, Suite 3150 (third floor).

*Team Champion:* Return your completed pledge card and check or cash to your team champion.

---

**New Grants Awarded!**

**Eric Wang, PhD.** Assistant Professor, Department of Molecular Genetics & Microbiology has been awarded a National Institutes of Health R01 grant entitled, "RNA Processing-Mediated Mechanisms of CNS Dysfunction in Myotonic Dystrophy".
Stephanie Staras, PhD. Associate Professor, Department of Health Outcomes & Biomedical Informatics, has been awarded a National Institutes of Health R01 grant entitled, "Text and Talk: A multi-level intervention to increase provider HPV vaccine recommendation effectiveness ".

Lyle Moldawer, PhD. Professor, Department of Surgery, has been awarded a National Institutes of Health T32 grant entitled, "Molecular Biology in Burns and Trauma".

Gustavo Maegawa, MD, PhD. Associate Professor, Department of Pediatrics, has been awarded a National Institutes of Health R21 grant entitled, "Exososomal CNS-Delivery of Therapies for a Lysosomal Disorder".

Congratulations!

AAMC Southern Group on Educational Affairs (SGEA)
Zareen Zaidi, MD, PhD. Associate Professor, Department of Medicine is the AAMC Southern Group on Educational Affairs (SGEA) Medical Education Scholarship Award (MESA) 2019 winner in the category Outstanding Presentation Award for Continuing Medical Education (CME) for her workshop entitled "Open the Front Door to Communication: Microresistance to Microaggressions."
Her collaborators for this workshop include Paulette Hahn, University of Florida College of Medicine, Tasha R. Wyatt PhD, Medical College of Georgia at Augusta University and Gary Beck Dallaghan PhD, UNC School of Medicine

American Academy of Neurology

Wissam Georges Deeb, MD. Assistant Professor, Department of Neurology has successfully completed the Emerging Leaders Program with the American Academy of Neurology.

CONGRATULATIONS ON PROMOTION AND TENURE 2019!

A number of our accomplished faculty have been promoted and/or tenured in the College of Medicine in Gainesville, effective July 1, 2019. Please congratulate your colleagues when you see them. We're proud of all you do and all you contribute to the College and your Departments.

James Wynn, MD. Department of Pediatrics
Philip Efron, MD. Department of Surgery
UF CTSI Mentor Academy
Is Accepting Nominations for Fall

Who Should Attend the Mentor Academy?

The Mentor Academy is for faculty at all levels. We are looking for faculty who are currently active in mentoring early career scientists, including graduate students, postdocs, and junior faculty.

Faculty who serve as mentors on training grants are encouraged to attend.

Any UF faculty member who attends at least seven of the eight sessions will be inducted as a "Master Mentor."

What Is the Mentor Academy?

The mission of the mentor academy is to promote the development of the next generation of clinical and translational scientists by promoting a culture of support for mentoring and by providing training in optimizing mentoring relationships for mentors and mentees at all levels of career development.

The Mentor Academy is structured around a four-month, eight-session seminar series on topics relevant to successful mentor-mentee interactions.

If you are interested in learning about mentoring best practices, then the Mentor Academy is the place to be. For more information, contact:

Dr. Roger Fillingim, PhD
Director, Mentor Academy
rfilling@ufl.edu

Give your faculty the tools for successful mentoring...
Join the Mentor Academy!
Sessions will be held in Room 3256 of the CTRB (North Side)

2020 Inspiring Women Leaders-Registration Open!

The Office of Professional and Workforce Development, in partnership with Warrington College of Business and the Office of the Chief Diversity Officer at the University of Florida are pleased to announce the 3rd Annual Inspiring Women Leaders Conference that will be held March 8-10, 2020 at the University of Florida Hilton Conference Center.

This 2 day event will provide personal and professional development opportunities, as well as fun and engaging ways to connect with our conference speakers and attendees. The IWL conference is an interactive learning platform and designed for attendees to learn applicable leadership and business skills.

Join us at the 2020 Inspiring Women’s Conference as a speaker to provide an opportunity for participants to learn from leaders in diverse fields, participate in important discussions, share your personal stories, ask meaningful questions, and network with a dynamic community of individuals who want to empower female leaders.

If you are interested in being a speaker at the 2020 IWL Conference, please create an account online to submit a speaker proposal. All applications must be submitted by August 28, 2019. Submissions will be reviewed by the conference planning committee and finalists will be contacted by September 13, 2019. We thank you for your interest.

Request for Applications:
Rare As One Network

Letters of Interest due:
Tuesday, July 23, 2019

Today, the Chan Zuckerberg Initiative (CZI) is launching the Rare As One Project to lift up the work that patient communities are doing to accelerate research and drive progress against rare diseases, which affect 400 million people worldwide. Watch the video to hear from rare disease patients and their loved ones sharing their journeys.

As part of the project, CZI is inviting patient-led 501(c)(3) organizations to apply for a new two-year grant opportunity to support the development and launch of a research network in their rare disease area in partnership with clinicians and researchers. As part of this opportunity, CZI will provide up to 10 groups with funding, training, community mentorship, and capacity-building services. Read our Medium post to learn more.

We will accept Letters of Interest starting today until Tuesday, July 23, 2019 at 5 p.m. Pacific time. After an initial round of review, we will invite select organizations to submit a full application.
application. Please feel free to share with your networks. Thank you, and we look forward to hearing from you.

Questions? Email rareasone@chanzuckerberg.com.

Care@Work for faculty, staff, and Housestaff

Get the house in-law ready.

Find a housekeeper

Hate finding rogue tinsel...in March?

Find a housekeeper

School is closed for how long?

Find a sitter

Mom and dad could use some extra help.

Get started
Most email programs, such as Outlook and Gmail, allow you to establish "Rules" that sort email into a particular folder as soon as it comes in.

For instance, you might get several emails per day that notify you of sales that your company has made. You want to receive these, because you want to see what's happening, but you don't want them to clutter your inbox.

This is where you could set up a rule in your email program that moves emails with, say, "Sales:" in the subject line straight to the "Sales" folder as soon as they come in. This means that you don't need to manually file these emails, and allows you to keep all of the sales emails in one folder. Click here for more information.

**To create a rule in Outlook:**

1. Click the **File** tab in the navigation ribbon.

2. Click **Manage Rules & Alerts.**
3. Click **New Rule** on the E-mail Rules tab in the Rules and Alerts dialog box.

4. Proceed to **Step 1: Select a template**.

5. Choose a template from either the **Stay Organized** or **Stay Up to Date** list of rule templates.

6. Proceed to **Step 2: Edit a rule description**.

7. Click on the underlined value.

8. Click **Next**.

9. Choose the **message** conditions you prefer under **Step 1: Select conditions**.

10. Click on presented underlined values from your selected conditions.

11. Enter in specifics for the underlined values under **Step 2: Edit the rule description**.

12. Click **Next**.

13. Choose exceptions to the rule under **Step 1: Select exception(s)**.

14. Click **Next**.

15. Choose values for underlined text under **Step 2: Edit the rule description**.

16. Click **Next**.

17. Enter a name under **Step 1: Specify a name for this rule**.

18. Select additional actions under **Step 2: Setup rule options**.

19. Click **Finish**.

**Did You Know?**

The S.A.F.E. (Self-Defense Awareness and familiarization Exchange) program is taught by nationally certified instructor who is dedicated to help members of our community become more aware of and better familiar with basic self-defense concepts. The course is a 2 hour class geared toward adult and teenage women. The class starts with a short introduction video, then progresses into a 1 1/2 hour physical self-defense familiarization presentation.

The class are free, but enrollment is limited to ensure the highest level of quality instruction. Here is the current schedule for the 2019 year.

**2019 Schedule:**

- **Tuesday, August 27, 2019 / 6:00 p.m. to 8:00 p.m.**
- **Monday, September 9, 2019 / 6:00 p.m. to 8:00 p.m.**
- **Tuesday, October 15, 2019 / 6:00 p.m. to 8:00 p.m.**
Tuesday, December 10, 2019 / 6:00 p.m. to 8:00 p.m.

All classes will be held at the UFPD - Community Services Division classroom (Building 596). The UFPD is located at the corner of Museum Road and Newell Drive.

To register, please email the Program Coordinator using our online Inquiries & Registration form or by calling (352) 273-3328. Please provide your name, email address, phone number, and which class dates you would like to attend.
