- **Faculty Council: Information About Meetings and Activities**
- **Leading with Care: Care.com webinar and Podcast resource Center**
- **UF Highlights: Children and COVID-19 Vaccines**
- **Email Tip: Manage Email Messages by Using Rules**

## CONGRATULATIONS

### UF W. MARTIN SMITH Interdisciplinary Patient Safety Awards

The University of Florida W. Martin Smith Interdisciplinary Patient Safety Awards Program is cosponsored by the UF College of Medicine Continuing Medical Education and the UF Self-Insurance Program (SIP). This program provides start-up support for faculty and staff to design and implement projects focused on reducing the likelihood of adverse events or claims and/or patient safety and clinical process improvements. Projects selected for funding may also address national initiatives such as the Partnership for Patients, CMS improvement programs, and IHI and NQF initiatives. Topic-specific calls for project proposals will be made by the program periodically, in response to demonstrated quality and safety enhancement opportunities; however, unsolicited applications are also accepted during the open submission period.

**Katharina M. Busl, MD, MS**  
Clinical Associate Professor  
Department of Neurology

**Marc-Alain Babi, MD**  
Clinical Assistant Professor  
Department of Neurology

**Mackenzie Thompson, PA-C**  
Advanced Practice Provider  
Department of Neurology

## Vote for Your Faculty Council Officers

Dear COM Faculty:

The COM Faculty Council Officer Election for the positions of President-Elect, Secretary and Treasurer is now open for voting. The ballots are posted at the website listed below - you can log in with Gatorlink credentials. After reviewing each candidate's statement, please cast your vote for one candidate per position.

<https://voting.aa.ufl.edu/>

Deadline is **May 31, 2021 at midnight**. Thank you for your participation.

More information about the Faculty Council including minutes from meetings, representatives, etc. can be found here: <http://facultycouncil.med.ufl.edu/>.

Sincerely,

Albert R. Robinson III, M.D.  
[ARobinson@anest.ufl.edu](mailto:ARobinson@anest.ufl.edu)  
President, UF COM Faculty Council

---

# Your OMBUDS- Confidential Resource for Faculty

The Office of the Ombuds for Faculty provides a confidential environment in which faculty can receive informal, impartial and independent assistance for conflict resolution. The Ombuds may also offer assistance to faculty seeking information on university conflict resolution processes.

The role of the Ombuds is to offer an impartial perspective in informal resolution procedures. The Ombuds does not advocate for an individual or the institution nor attempt to mediate a dispute. The Ombuds does not replace the institution's existing processes and resources for formal conflict resolution.

## Email Tip

### Manage email messages by using rules

Rules allow you to move, flag, and respond to email messages automatically. You can also use rules to play sounds, move messages to folders, or display new item alerts.

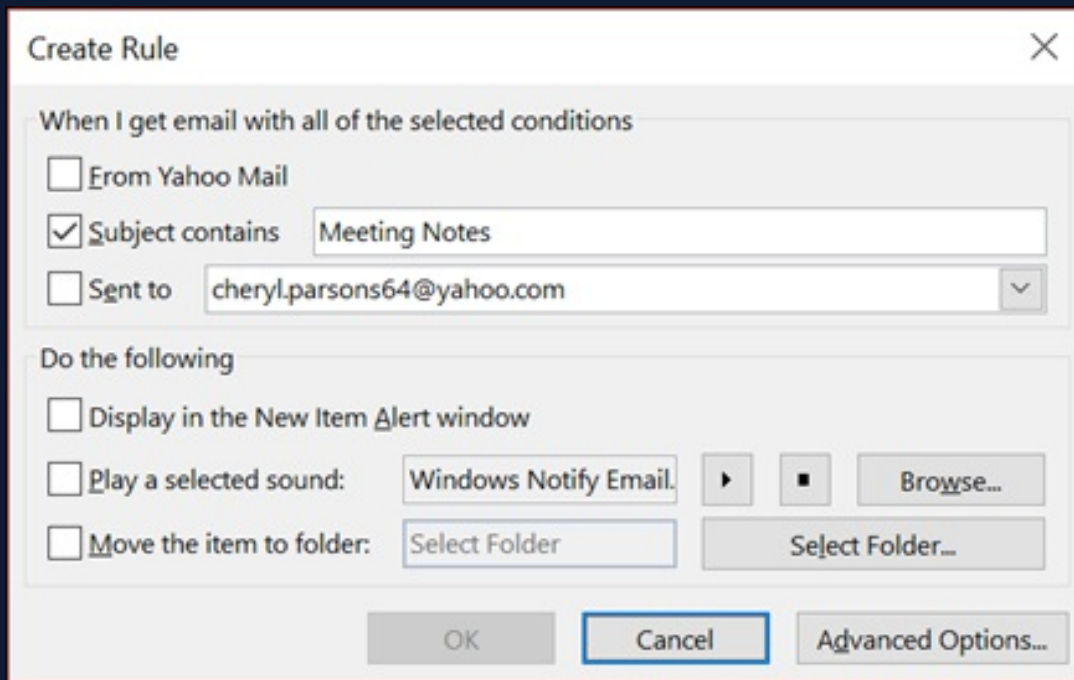

The easiest and most common rule to create is one that allows you to move an item from a certain sender or with certain words in the subject line to another folder. You can create this rule directly from a message you've already received.

1. Right-click a message in your inbox or another email folder and select Rules.

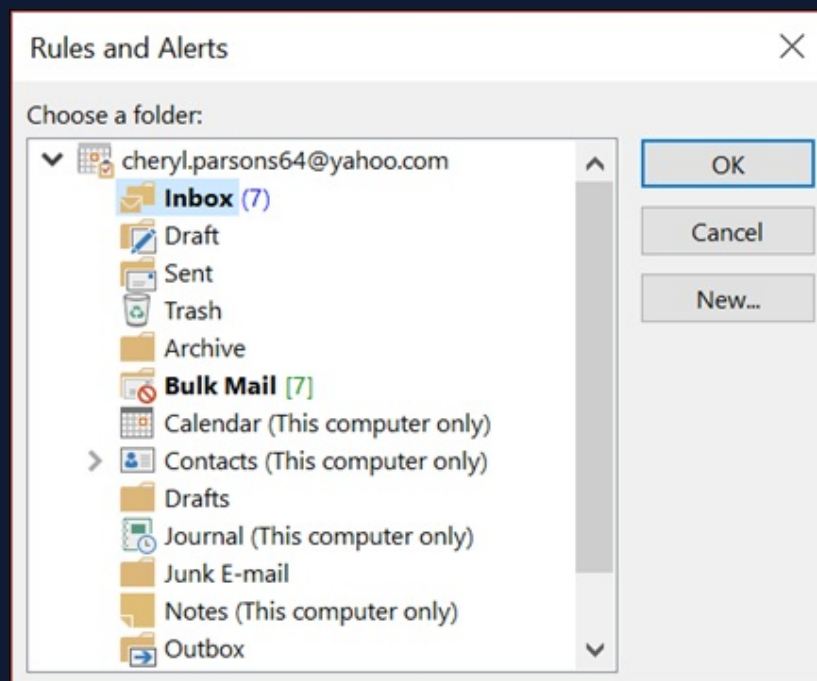

2. Select one of the options. Outlook automatically suggests creating a rule based on the sender and the recipients. To view more options, select **Create Rule**.

3. In the **Create Rule** dialog box, select one or more of the first three checkboxes.

4. In the **Do the following** section, if you want the rule to move a message to a folder, check the **Move item to folder** box, then select the folder from the **Select Folder** dialog that pops up, and then click **OK**.

5. Click **OK** to save your rule.

**Note:** If you want to run the rule on messages you've already received, check the box on the confirmation dialog that pops up and then click **OK**.
